

QSTK & TROPHY RIDERS EVENTS RULES AND REGULATIONS

QMMF and LCSC have organized a training plan for QSTK & Trophy registered riders.

Participation in these events is subject to these rules and regulation, the aim of which is to try and ensure the safety and the good use of our facilities.

SCHEDULE

It very important to follow the track schedule as it has been designed to match with the rest of activities hosted in Losail. The ambulance service is related with the schedule set.

REGISTRATION

Access to the tracks facilities is free for registered QSTK and Trophy riders, however it is important to be properly registered at LCSC registration system every training day. This registration will be shared with QMMF for its following up.

PARKING

Parking will be allowed only in the designated areas.

BIKES ALLOWED

All the riders have to bring their own bikes and equipment. Bikes and equipment shall be in good condition and are subject to scrutineering if required. The bikes allowed are based on the designated track areas to be used as per the schedule, based on the following specs:

MAIN TRACK

The bikes allowed to be used at main track should be between 250cc and 1000cc on road bikes, with on road tyres, following all the main track safety regulations.

KARTING

The bikes allowed for use in the karting area should be between 70cc and 450cc (Supermotard, SSP 300, Ohvale) with on road or trail tyres.

OFF ROAD

The bikes allowed for use in the off road track should be between 70cc and 450cc off road bike with flat track or rain tyres. **ACCESS WILL NOT BE ALLOWED WITH MOTOCROSS TYRES OR ANY OTHER TYRES BUT FLAT TRACK OR RAIN TYRES.**

TECHNICAL AREA

The bikes allowed for use in the technical area should be between 70cc to 190cc (Supermotard, PocketBike, PitBike, Ohvale) with on road or trail tyres.

FEES

This program is for free for QSTK & Trophy registered riders who will use their own bike.

In case the rider wants to use LCSC/QMA bikes, it is necessary to rent them by paying a monthly fee of QAR 6000. By paying this fee will entitle you to use QMA bikes for one month during the scheduled training days. Bikes are subject to availability.

The monthly fee should be paid two days before the first training day. In case of damaging the bike, the rider must pay the cost of repair.
